

Make a Silver Charm

Class Type:

Taster Class

Class Level:

Beginners

Duration:

2 hours

Price:

£35.00

Class Description

This class is a great introduction to working with silver and is often taken before doing our Beginners Silver Jewellery Class. Come and learn to make a solid silver charm using traditional silver work techniques. In just one evening you will be guided through the process of designing, sawing, sanding and polishing your piece to a professional standard by one of our expert tutors.

The process involves adding textures, cutting your shape out of sheet metal, getting to grips with the basics of cutting silver, followed by sanding and polishing your piece. Once your charm is finished, it can be put on to a necklace or keyring to wear home with pride.

As with all of our classes, all materials are included in the cost of the class as well as plenty of tea, coffee and luxury biscuits! The classes are all run by expert tutors with years of professional experience who are friendly, knowledgeable and approachable.

Book early to avoid disappointment!
