

# Recycle Your Jewellery

**Class Type:**

Taster Class

**Class Level:**

Beginners

**Duration:**

1 hour

**Price:**

£15

**Class Description**

Recycle your old jewellery and make it into beautiful vintage fashion pieces that you can wear with pride.

Take that earring you have lost the pair to, an old broken necklace and that ring that no longer fits and one of our expert tutors will guide you through the process of making your own, professional quality jewellery combined with our huge selection of beads, chain and various bits and bobs to make your truly unique creations.

You no longer have to throw away the lovely bits of jewellery you once treasured because they don't fit or are broken. Bring them along and you can fix them or make them into something new and even more special than the original. If you have already thrown away all your old jewellery then don't worry, you can come along and learn how to repair it for the future.

**This is a fun and interactive evening class that is suitable for complete beginners, no previous experience is necessary.**

**What you need to bring to this class:**

Please bring along with you any bits of old, broken or unwanted jewellery, beads or materials that you would like to recycle and make into something new and wonderful. Don't worry if you don't have any - you can use ours!
